

- 1** During a jump ball, the jumper A5 taps the ball twice with both hands simultaneously. Has A5 committed a violation?
- 2** When a field goal is scored against a team which has requested a time-out, the timer shall stop the game clock.
- 3** The scorer shall notify the coach through an official when the coach has no more time-outs left in a half or extra period.
- 4** When a technical foul is called, any member of the opponent's team as designated by his captain shall attempt the free throw(s).
- 5** A5 is given a technical foul after goal tending during a last free throw. One point shall be awarded to team B also two free throw(s) followed by a throw-in at the centre line extended, opposite the scorers table for team B.
- 6** The alternating possession arrow favours team B. During the interval between the 1st and 2nd periods, a technical foul is charged to B10. After the free throws, shall the 2nd period begin with a throw-in by team B.
- 7** In the case of any discrepancy between the scoreboard and the score sheet which cannot be resolved, the scoreboard shall be corrected.
- 8** A foul by a player who has previously committed his fifth foul, a "B" shall be entered in the column after the last foul.
- 9** The officials erroneously fail to award B4 with 2 merited free throws. Team B completes the throw-in. A9 intercepts a pass from B5 to B10, dribbles the length of the playing court and scores a field goal. The error is discovered at this time. Shall the error be corrected?
- 10** Following a try by B9 the ball is bouncing above the ring when B8 commits a foul. The ball then enters the basket. Shall the goal count?
- 11** May a player-coach request a time-out from playing court to scorer?
- 12** On a final free throw, shooter B7 misses the entire basket. Shall the resulting throw-in be awarded at the end line nearest to where the violation occurred.
- 13** A8 commits a throw-in violation when the ball is at the disposal of a B5. Shall team B be permitted to substitute at this time.
- 14** The ball is passed towards the basket for an alley-oop. The ball is touched by a defensive player in its downward flight above the level of the ring. This is a violation and a goal shall be awarded.
- 15** The player A5 attempts a pass for an alley-oop which hits the ring. Shall the 24 second clock be re-set?
